# Liverpool Eye, Ear and Throat Infirmary.

## 114th Annual Report.

The Committee have pleasure in submitting their Annual Report.

During the year our Senior Surgeon Mr. Harry Holmes tendered his resignation. This resignation was, with much regret accepted by the Committee. Mr. Holmes in his early days was one of our House Surgeons and has been with us ever since, attaining the position of Senior Surgeon upon the resignation of Mr. Edgar Stevenson last year. He carried on his work in such a quiet and unobtrusive manner that it is somewhat difficult for those who did not know him well to measure the great service he has rendered to the Infirmary during this period. His wise advice to the Committee when in difficulties will be remembered for a long time and they wish him every happiness in his retirement.

The arrangement with the Cancer Hospital whereby our Infirmary co-operates with them in the use of their X-Ray Department is in full swing. The New Bridge over Stowell Street connecting the two Hospitals was completed during the year. Our patients are now in close touch with the most up-to-date X-Ray Department in the City. Your Committee would like here to place on record their appreciation of the kindly interest the Committee of the Cancer Hospital have shewn to us in this scheme of co-operation. When the whole question of closer co-operation between the Hospitals in the City is so much before the public, it may be interesting for them to know of this scheme.

A matter which is exercising very seriously the minds of the Committee, is the provision of a Children's Ward. Owing to the present state of the Infirmary's finances where, upon a reference to the accounts for last year, it will be seen that had it not been for legacies received during the year amounting to £969 5s. 2d., our expenditure would have exceeded our revenue of £1,551 18s. 9d., it is obvious that the provision of such a Ward is out of the question. The Public always have a warm corner in their hearts for the children and your Committee believe that they sometimes think that what are known as "Children's Hospitals" are able to cope with all the children in the City and consequently that many of their donations find their way to the assistance of these Hospitals alone.

It is well that they should know that this is not so. Our Infirmary last year treated, as in-patients, no less than 821 children, many of whom were sent to us by the "Children's Hospitals" in the City. To treat children in adult Wards is most unsatisfactory, but it is evident that unless some solution of this difficult problem is forthcoming your Committee will have—to a very large extent—if not altogether—to curtail their work amongst the children. This would be a very sad pity as there are only 9 special beds in the Voluntary Hospitals in the City, not including those at the Infirmary for the treatment of children suffering from Ear and Throat complaints.

The Cancer Hospital our neighbours next door with whom we work in the closest co-operation have recently approached us with a view to our Hon. Surgeon's treating their patients suffering from Cancer of the Throat. We are anxious to help in every way possible, but our accommodation is quite inadequate to cope with these cases as well as the children. Unless therefore, we can in some way, provide a children's Ward the problem seems insurmountable.

The Committee welcome the formation of the Merseyside Hospitals Commission and trust something tangible will soon be evolved from this Committee's very exhaustive consideration of the problems confronting them.

Our Hon. Surgeons give up so much of their time to Voluntary work and take such a keen interest in the welfare of the Hospital that your Committee would like to place on record their gratitude to them for all they do for no reward in alleviating the sufferings of the poor patients who attend the Infirmary.

The Matron and Staff, as always continue to work with zeal and attention to duty and with sympathetic feeling towards their patients.

During the year the following cases have been treated:—

**OUT-PATIENTS DEPARTMENT—**

New Eye Cases	...	...	...	...	7177
New Ear, Nose and Throat Cases	...	...	...	...	6994
Total Out-Patient Attendances	...	...	...	...	40505

**IN-PATIENTS DEPARTMENT—**

In-Patients	...	...	...	...	2134
Important Operations	...	...	...	...	1930
Minor Operations	...	...	...	...	2218

**OPHTHALMIC DEPARTMENT.**

The work in the Ophthalmic Department has been chiefly of a routine character. The number of patients both in and out has been well maintained and the attendances of the In-patient Department shew a considerable increase.

The Diathermy Apparatus has proved very useful in the treatment of Detachment of the Retina; though the proportion of permanently successful cases so far has not been large, it is hoped that with further experience the number of favourable results in this hitherto hopeless condition will be considerably increased.

The Honorary Staff has been somewhat troubled of late in the difficulty in obtaining a suitable House Surgeon for this Department.

H. HOLMES.

TOTAL	134	103	610	197	27	62	22	31	13	44	23	23	64	64	64	64	64	64	1359	

The above table, arranged statistically again shows an increase in the number of cases operated on in the Theatre this year.

The very large total of 1,359 operations is an indication of the increasing importance of the Hospital to the City of Liverpool.

In this connection it may be added that a large number of acute cases requiring operation have of necessity been transferred to other Hospitals on account of lack of accommodation.

The Surgical Staff desire to thank the Committee for supplying equipment and also the Nursing Staff for the work done in the Theatre and in the wards.

The Oto-Neurological Department continues to do useful and interesting work. Its scope has been enlarged by the help given by Mr. Edgar Stevenson.

P. W. LEATHART.

## BACTERIOLOGICAL AND PATHOLOGICAL REPORTS.

The total amount of work done in the Bacteriological Clinic is slightly more than on the previous year and this has been on account of the number of treatment cases dealt with as detailed.

The number of Pathological specimens carried out have been much the same as on the previous year. Fifty-three eye specimens and fifty-one nose, throat and ear specimens have been examined, sections being made from these and reports rendered.

## GENERAL LAWS.

*Revised and passed at the Annual Meetings of Subscribers, held  
January 18, 1847, March 5, 1863, and March, 16, 1914.*

1.—This Charity shall be known and distinguished by Name and the name of the LIVERPOOL EYE AND EAR INFIRMARY, and Government. the government thereof shall be vested in the hands of a Committee.

2.—Every person subscribing at any one time the sum of £50 or over shall be a Life Governor of the Infirmary and shall have the privilege of recommending, in the course of every year, for a term of four weeks, four Indoor Patients—too poor to pay for treatment—free from all charge for board and lodging; and for every further sum of £50 shall have the privilege of recommending, in the course of every year, four more Indoor Patients under similar circumstances, and every Company or corporate body subscribing at any one time a similar amount shall have similar privileges for a period of ten years.

3.—Every Annual Subscriber of £3 3s. and upwards shall have the privilege of recommending, in the course of the year, two Indoor Patients—too poor to pay for treatment—at half usual charge. Subscribers of £4 4s. and upwards, four Indoor Patients and one additional patient for every guinea subscribed over four.

4.—Subscriptions are due 1st January in every year. Subscriptions. due.

5.—No Subscriber's recommendation shall be accepted when his subscription is more than twelve months in arrear, and a copy of this rule shall be sent to Subscribers so circumstanced.

6.—A General Meeting of the Subscribers shall be held as early in each year as convenient for the purpose of passing the Treasurer's Accounts and transacting other customary business and Special Meetings shall be held at such times as shall be determined by the Committee.

7.—No Subscriber shall be entitled to vote at a Meeting when his subscription is more than three months in arrear.

8.—The Committee shall consist of a Chairman and not less than five Members of whom three shall be a quorum. The Committee shall meet each month, and shall have power to make all orders relating to the internal govern-

ment of the Infirmary, and to enforce their due observance, and to appoint, suspend, or dismiss the Honorary Medical Staff of the Infirmary, and to amend all Rules, except the general laws of the Infirmary (which can only be altered at a General Meeting of Subscribers).

**Finances.**

9.—The Finances of the Infirmary shall be under the control of the Committee.

**Special Trustees.**

10.—The property of the Infirmary shall be vested in special Trustees who shall be at least three in number, and who shall hold such property upon trust solely for the use and benefit of the Infirmary.

**Investments.**

11.—The Funds of the Infirmary shall, with the approval of the Committee, be invested in the names of the Special Trustees, in any stocks, funds or securities in or upon which Trust Funds may for the time being be authorised by law to be invested, with power at the discretion of the Committee to vary or transpose such investments into or for others of a nature hereinbefore authorised.

**Auditors.**

12.—The Auditors shall examine the Accounts of the Infirmary once a year at the least and such accounts up to 31st December, signed by them, together with a report of the number of patients admitted within the year, shall be produced at the Annual General Meeting.

**Inability to pay for Treatment.**

13.—All persons unable to pay for their treatment (whose case may require an operation, or whose disease is of severe character) are admitted as In-patients.

**Subscribers' Recommendation.**

14.—No Subscriber's recommendation of an In-patient should be received whilst his subscription is twelve months in arrear.

**Payments by In-patients.**

15.—Persons residing in Liverpool and immediate neighbourhood shall be charged a sum of 14s. a week for board and lodging as In-patients, and in all other cases a charge of 25s. shall be made, but this law shall not apply to persons who are, in the opinion of the Committee, too poor to pay for treatment as In-patients.

**Constitution of Honorary Medical Staff.**

16.—The Honorary Medical Staff may consist of one or more Honorary Consulting Surgeons, and an Honorary Physician, Honorary Surgeons, Honorary Assistant-Surgeons, Honorary Out-patients, Assistant-Surgeons, Honorary Pathologists, and such other Officers as the Committee may decide to appoint to meet the requirements of the Hospital.

**Medical Board.**

17.—The Honorary Surgeons and Assistant-Surgeons and such other members of the Infirmary Medical Staff, as such Surgeons may appoint, shall form a Medical Board, and shall meet at least once a month to consider any medical question connected with the Infirmary, or which may from time to time be referred to them by the Committee.

18.—No gentleman is eligible to the office of Honorary Qualifications Medical Officer who is not a fully qualified Practitioner, of Honorary and who has not attended some Ophthalmic or Aural Medical Officers. Institution for six months.

19.—No Honorary Surgeon shall be eligible after he has attained the age of 65 to remain on the Honorary Medical Staff, but he may then succeed to the rank of Consulting Surgeon.

20.—The Honorary Surgeons shall attend two days in the week by turn, at One o'clock; but should any of them be prevented from attending at the appointed time, he should secure the attendance of one of his colleagues when practicable.

21.—The Honorary Assistant-Surgeons shall attend in rotation, and on such days as the Committee may order, and they shall not absent themselves from their duties without permission of the Committee or one of the Honorary Surgeons.

22.—They shall assist the Surgeons in the attendance on Out-Patients, and in the operations on In-Patients. They shall not perform any operations without permission from one of the Honorary Surgeons.

23.—After having performed their duties to the satisfaction of the Committee for a period of seven years, they shall receive under their sole control a certain number of Out-Patients, not exceeding one-fourth of the total number on any one day, and shall become *ipso facto* Surgeons, with the sole charge of six beds each in the Infirmary. It is understood that an Assistant-Surgeon having become Surgeon shall continue to perform the duties of an Assistant-Surgeon so long as there are three Surgeons senior to him.

24.—The House Surgeon shall devote his whole time and attention to the services of the Infirmary, and shall assist the Surgeons on their respective days of attendance, and shall generally act under the direction of the Committee and Medical Board.

## LIST OF SUBSCRIBERS
